

Entry Instructions & Policy

Due to COVID-19, and for the safety of our staff and patrons, please observe the following:

1. Entry will only be granted no more than 15 minutes ahead of a reservation. This is subject to egress/floor capacity. Early admittance will not be permitted, otherwise.
2. Use the intercom for entry. On the intercom, find us (PMT Dance Studio) via the directory and call us via the intercom. Do not text us via the intercom.
3. Non-vaccination persons: In the morning of your visit, please submit your [pre-screening questionnaire](#).
4. Do not hang up the intercom connection. If you do, the door will not open.
5. If the intercom is down, please call 212-924-5694 from your cell phone for entry.
6. Provided the **pre-screening questionnaire** or [vaccination survey](#) has been properly submitted and the customer passes the screening process, further instructions and admittance will be provided.
7. Until further notice, no walk on visits are permitted. Visits by appointment only.

Additional Notes:

- Entry is subject to the time it takes to screen, send the staff down, temperature screen and bring the customer up.
- Be courteous to our staff. We are doing this for everyone's safety. Through this process we have saved countless wrongful entries and higher risk situations.
